We need some opportunity to placed in .

Yes

Need to good placement support for students

Canteen facility not good...so kindly improve this

See the other college and compare

Nice

I want to say that whatever food is given in the canteen and hostel.. improve us... so that the children can eat properly... because the children have come from a long distance to study in this college.. If they are not given good food then they will not get consolation...so what I want to say is that the process of making food should be taken good care of...so that the children can eat well 🙏.
